7.0 EVALUATION METHODOLOGY:

The job shall be awarded on an overall L1 basis, and the entire contract shall be placed on a single bidder.

Accordingly, bidders are required to quote for all three (03) Parts of the Price Schedule. All three Parts, along with all respective line items, shall be considered for bid evaluation and award of the contract. Failure to quote for any Part or any line item shall render the bid liable for rejection.

In the event that more than one bidder emerges as L1, the successful bidder shall be selected through a lottery mechanism. The draw of lots shall be conducted in the presence of the eligible L1 bidders who choose to attend.

If the L1 bidder selected through the lottery refuses to accept the award or fails to execute the job, ABEPL reserves the right to offer the job, in whole or in part, to any of the other L1 bidders who were not selected initially. Such selection shall be made through an appropriate process, including a lottery among the remaining eligible and interested L1 bidders, as deemed suitable by ABEPL.

In case of refusal by the selected bidder, the subsequent award shall be made to the next eligible bidder within the original or extended validity period of the offer.

In case of failure to perform after award, the unexecuted portion of the work may be offered to the next eligible bidder within a maximum period of Six (06) months from the original date of award.

The defaulting contractor shall be liable for appropriate action and penalties in accordance with ABEPL's applicable procedures and contract provisions.
